a registration form. For questions or more information contact Marilyn Lockwood.

LTRC Volunteer of the Year Awards

This year LTRC had two outstanding volunteers, Ms. Peggy Delcher & Mr. Greg French. Both were presented with LTRC Volunteer of The Year plaques at our annual Bull Roast on March 9th.

Ms. Peggy Delcher has 3 daughters who have danced with the LTRC tap/jazz program for 20 and are now instructors for the program. Miss Peggy has always been an active parent in the program and has served as the volunteer treasurer for the program over the past 4 years.

Being the tap/jazz treasurer is no small task. There are currently 300 dancers in the program and the treasurer is responsible for organizing several registrations, costume fees, several fundraisers, keeping track of attendance, general accounting, and generating spreadsheets, as well as all the year-end recitals details, program awards and merits and year-end wrap up.

Ms. Peggy Delcher has decided to retired after nearly 20 years of volunteering with the tap/jazz program. LTRC is thankful for Ms. Peggy's many years of service.

Mr. Greg French is currently the LTRC Youth

volunteers. Should you require special accommodations, (i.e. sign language interpreter, large print, etc.) Please give as much notice as possible by calling the Rec. Office at 410-887-7684 or the Therapeutic Office at 410-887-5370(voice), 410-887-5319(TT/Deaf).

LIFETIME FRIEND OF LTRC AWARD

The Lifetime Friend of LTRC Award was presented to Larry Shakelford, President of LTRC, at the annual Bull Roast on May 9th.

In 1996 Larry Shackelford started playing over 30 Baseball with LTRC. In 1998, Larry became much more than just a player, he became the over 30 baseball Treasurer. During his time as Treasurer, Larry worked hard behind the scenes doing maintenance on the ball fields, cutting the grass, and working on the batting cage. He did whatever had to be done to ensure the over-30 men's group could PLAY BALL!

Larry was recruited as an LTRC board member and served on the board from 1999-2000. It was around this time that Larry also started as the LTRC webmaster, a task he would continue for the next 6 years. From 2001-2002 Larry served as Vice President of LTRC and in 2003 Larry became President of LTRC.

During his Presidency Larry has worked tirelessly, days, nights and weekends on projects such as the Seminary artificial turf field. His vision and meticulous planning helped make the artificial turf a reality. With his logic and reason, he has labored tirelessly to resolve community issues.
