To New Summer Team Managers:

Organizational plans are being made for the 2012 Slow Pitch Softball season. We plan to use the Seminary Park Upper Field as our home field. The Coed League will continue on Tuesdays and Men's leagues will be organized on the remaining weeknights.

Below you will find a team registration form, which must be completed and returned to league chairperson, **Tom Harrington** at the address listed below.

Returning teams have until March 8, 2012 to retain their spot. After March 8, 2012 new teams may be added. New teams will be placed on a waiting list. To be placed on the waiting list return the application with a check for the league fee of **\$375.00**.

The check will be held uncashed. After March 10 new teams will be informed of the openings and given the option to complete registration on a first come, first served basis. **Checks are to be made payable to: LTRC. Mail checks and registration form to:**

Men's 3-Pitch \$39.00 per team/per doubleheader Co-Ed

League rules are available on request and will be distributed at the league meeting. Time limits will keep us at 6 innings, 3 pitch format games. **League rules will be strictly enforced.**

I would appreciate some additional help in coordinating the league as my day job may require that I receive some help during parts of the season.

The help falls in these areas:

- Correspondence reviewer
- League Coordinator

Specifically

Corresponding Reviewer – I need some help to review league communications for correctness. The help needed is in the preparation of schedules, correction of league rules and other minor correspondence. Please let me know if you are interested.

League coordinator – I would appreciate some help in keeping track of standings and coordinating makeups and the tournament. Please let me know your interest. I would have the coordinator only handle the league their team plays in.
