

## **Attendance:**

Please strive for extremely consistent attendance. We understand that dancers become ill especially during flu season or other obligations may stand as an obstacle here and there. If you are unable to attend class, we ask that you kindly call me as a courtesy at 410 733-2188 and I will notify your dancer's instructor. Instructors reserve the right to choreograph around students who have missed class. This means, if your dancer is not in class when new choreography is taught, the instructor reserves the right to eliminate him/her from a "chunk" of the routine and when the dancer returns to class, the instructor will bring him/her back into the routine. This is especially the case for the more advanced dance classes and Companies and any dancer who has missed several classes due to other commitments like sports, school plays, etc. If you have any questions or concerns, please feel free to contact me.

## **Attendance Awards:**

All dancers have an opportunity to receive a "Perfect Attendance Award" or an "Outstanding Attendance Award".

Perfect Attendance means no missed classes and not more than 20 minutes late or left more than 20 minutes early in any class. If a dancer was 20 minutes late or left 20 minutes early, this counts as ½ an absence, but the dancer must be present at least ½ the class time to count as attending.

Outstanding Attendance means missing no more than a total of 2 classes.

For each registered class, each dancer has a chance to earn a Perfect or Outstanding Attendance award; however, only ONE attendance award will be given to each dancer no matter how many classes the dancer has perfect or outstanding attendance. The highest applicable award for each dancer will be given at our Company Showcase/Awards Ceremony. More details to follow in future newsletters.

Dancers who have missed more than 2 classes will not appear on the list below.

NOTE to dancers who joined late: Attendance was counted as of first day of classes, not when dancers started, so if your dancer joined in week 3 and never missed, he/she will have 2 misses. This is to be fair to the dancers who have been there since the first week of classes.

If you have any questions or feel the list is inaccurate, please email me as soon as possible at [Val.Wagner-Hippen@opm.gov](mailto:Val.Wagner-Hippen@opm.gov) so I can confirm with the list given by your dancer's instructor.
